

The Salmon Arts Council's
Arts Academy Presents:

Silk Dye Workshop Featuring Textile Artist Deb Gelet

Learn to hand-dye and block print luscious silk sarongs or scarves with textile artist Deb Gelet. You will blend dye colors, create your own printing blocks, and overprint with textile paints and inks using your own blocks or found objects.

You will produce two scarves or one sarong. This is a great opportunity to learn a new skill, make a present for the holidays or improve your own artistry.

Date: Saturday, November 13
Time: 10:00 am - 4:00 pm
Place: Sacajawea's Learning Center
Cost: \$45.00 per person

“Textiles elicit emotion simply by their tactile nature. We all carry some sensory memory of the feel of a particular fabric - perhaps the comfort of a soft robe...My work begins with unfettered (unframed, unmounted) silk to maintain that evocative nature while the silk is in my hands.

Space is limited so please pre-register by Wednesday, October 29.
